CARE PROFESSIONAL RESIDENTIAL OR CRISIS

meeting youth & family needs through advocacy and lasting supports

JOB DESCRIPTION

Offer hope and help to youth working to process traumatic and mental health difficulties.

Through consistency and care, you'll foster safe, meaningful, therapeutic relationships with youth in residential treatment.

Uphold an environment of physical and emotional safety and support youth to address trauma and build skills.

RESPONSIBILITIES

Provide a trauma-informed environment of care for client safety

- actively engage in positive, therapeutic relationships with clients (including field trips, activities, group discussions, play)
- manage behavior needs and de-escalate crisis situations
- work with counselor and treatment team to develop goals and objectives for client care plans

Collaborate with stakeholders to ensure the best outcomes for youth.

- work with stakeholders to determine goals and needed supports
- collaborate with various agencies and child welfare groups to support plans in the best interest of youth/clients

QUALIFICATIONS

- desire to promote the welfare of others, specifically children, teens, and families
- experience working with youth and families with mental/behavioral health needs
- proven abilities in organization, communication, time management, and teamwork
- ability to pass background and child abuse registry checks
- 21 years of age, high school diploma or equivalent

WAGE & BENEFITS

The wage for this hourly position begins at \$15.00 and is commensurate with experience.

As a member of the Cathedral Home team, you will advocate for youth and families, build strong relationships, and create lasting supports to meet community needs.

Full-time employees qualify for:

- 9 paid holidays + paid vacation and sick time
- medical, dental, and vision insurance
- retirement plan with employer match

Join a trauma-sensitive culture that actively works toward advancement and social justice through family-driven care.
